The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the big fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the price ring as well as in it. We protect our backs, throats, feet and lungs, but the stomach is utterly indifferent to us, until we find the solar plexus and knock it out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "Weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition. The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Pierce's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

COUNCILMEN FIGHT.

A disgraceful scene at the Baltimore city hall followed immediately after the adjournment of the first branch, city council, yesterday evening, when President W. W. Cherry was hit in the face by Councilman Frederick T. Hellman, of the Eighteenth ward, and felled to the marble floor of the corridor leading to the chamber in which the branch holds its sessions.

The assault was the result of an attack on President Cherry by Mr. Hellman during the session of the branch, and it will lead to the introduction of one or more resolutions preferring charges against Mr. Hellman when the council meets next Tuesday afternoon, and providing for his expulsion from the council.

They met outside the council doors. Mr. Hellman resented being called to order, and told President Cherry he had not the nerve to call other members of the council to order for vilifying him. President Cherry called Mr. Hellman a "dirty contemptible coward," for acting as he did while in the council. Then the blow was struck.

Indignant councilmen declared it the most disgraceful affair that has ever happened at the city hall. "I will hit any man who insults me as President Cherry did," said Mr. Hellman. Mr. Hellman declared he would fight any effort to expel him, for the reason that the fight occurred outside the council chamber.

SHOT BY HER LOVER.

Elsie Gilbert, aged about 24 years, who went to Frederick, Md., from the country near Ceresville, was yesterday evening shot and seriously wounded by Millard F. Perkins, her lover. The shooting took place in a house in which they lived together. Yesterday afternoon they quarreled and Policeman Jones, at the woman's request, went to the house to see that Perkins left it without doing harm to her.

While Perkins was upstairs, supposedly packing his belongings, County Constable Lewis F. Carter came along and was requested by Policeman Jones to take the latter's place as preserver of the peace while he went to supper. Soon after the policeman's departure Perkins came down stairs carrying a shotgun, which, immediately upon reaching the lower floor, he aimed at the woman. Constable Carter sprang towards him and seized the barrel of the gun, but not in time to prevent its discharge.

The load of one of the barrels, fired at close range, struck the woman in the back of her left shoulder. Perkins was overpowered by the officer before he could fire the second load, and soon afterward was taken to the county jail. The woman's shoulder was terribly lacerated, apparently about 100 shot having lodged in it. Her condition is serious. Perkins comes from Rieble Mills, near Frederick Junction, and is about 28 years of age.

DIES OF HYDROPHOBIA.

Rose Barkman, 13 years old, died yesterday morning at her home in Brooklyn of hydrophobia. She was the daughter of Mrs. Kate Barkman, a poor widow. On June 23 she snatched her fingers in friendly greeting at a small yellow dog that passed her on the street, and the mongrel repaid the attention by biting her on the right hand. Although the wound was small, a neighbor took the child to a physician, who cauterized the toothmarks. The mother didn't think it worth while to send the girl to the Pasteur Institute. In a day or two the tiny cuts healed and nothing more was thought of the incident until last Sunday, when Rose was seized with convulsions. It was then too late to save her life.
